Mission Statement
The Orland Hills Recreation Department is dedicated and committed in providing quality recreational activities, programming, special events, parks and facilities to enhance the quality of life for the residents of Orland Hills.
REGISTER EARLY AND OFTEN
Nothing stops or kills a program more than waiting until the last minute to register for a Recreation Program or Special Event. If a minimum number of participants are not met, the program or event is canceled. Registering on the day of or before the class will not save the program. Please register early during the announced registration dates and times so no one will be disappointed. Register early and often!

PARK WATCH
We need your help in keeping our parks safe, clean and vandalism free. If you see or find broken equipment or have any safety concerns, please do not hesitate to contact the Orland Hills Recreation Department at 708-349-7211.

If you see someone defacing or vandalizing our Community Center, tot lot and parks, please do not hesitate to contact the Orland Hills Police Department at 708-349-4434.

PHOTOGRAPH POLICY
The Orland Hills Recreation Department uses pictures of participants to highlight the many Recreational Programs and Special Events that are available. We do not use identification in our brochures and informational flyers. If you do not want a picture of yourself or your child in our publication, please inform us when the picture is being taken.

PRESCHOOL

Ages: 4-6 yrs.
Location: Community Center, 16553 S. Haven Ave.
Min./Max.: 20-40

This successful, long running program is taught by our highly qualified staff. Our instructors are certified in Early Childhood Development. Our Pre-K curriculum is designed to be in conjunction with the Illinois Early Learning Standards. Our program provides a foundation of basic learning skills and develops self esteem that eases the transition into Kindergarten. Along with working to meet those standards, time is spent working on socialization skills, working and playing with others, following simple rules and routines. Our three-year-old programs focus on developing fine motor skills, learning to use crayons, pencils and scisscors as well as sharing and socializing.

All programs begin the week of January 6th. The current curriculum includes a 3-year-old program and a 4-year-old program. Morning sessions are being offered.

• Preschool registration is currently being offered and all classes will be prorated after the school year begins.
